

**3.5.2.1. E-copies of Functional MoU's with Institutions of National, International Importance, Other Universities, Industries, Corporate Houses etc. during the year 2020-21.**

INDIRA GANDHI NATIONAL OPEN UNIVERSITY  
REGIONAL SERVICES DIVISION

MEMORANDUM OF UNDERSTANDING (M.O.U.)  
For Programme Study Centre

Signed between Indira Gandhi National Open University hereinafter referred to as 'IGNOU' and Head of the Host Institution.

1. The Host Institution will
  - provide 1-2 rooms with a space of approximately 500 Sq.ft. exclusively to IGNOU without charging any rent, for the office of the Programme In-charge and for audio visual facilities.
  - let a signboard of IGNOU Programme Study Centre installed prominently at a proper place.
  - make hall/rooms available for holding counselling sessions and IGNOU Exams.
  - extend Library, Laboratory, Farm Equipment, Training Centres and Extension Services etc. to IGNOU students for the given programme on mutually agreed terms.
2. IGNOU will
  - pay contingent charges and other remuneration for counselling sessions, evaluation of assignments, holding exams, Stationery, Postage, and Telegrams as per IGNOU norms.
  - provide 5 sets of SIMs, and audio video cassettes pertaining to the programme.
  - pay to Academic Counsellors for conducting counselling sessions, practical sessions and for evaluation of assignments as per laid down norms which is follows :
    - o Theory Rs. 300.00 per session (2½ hours)
    - o Practical Rs. 400.00 per session (4 hours)
    - o Laboratory Assistant Rs. 100.00 per session (4 hours)
    - o Laboratory Attendant Rs. 70.00 per session (4 hours)
    - o Consumables: Actual subject to maximum ceiling of Rs. 400.00 per learner for 8 sessions on the basis of students enrolled
  - pay honorarium to the Programme in-charge and Head of the Host Institution as per the University norms. Present Honorarium norms are as under:
    - o honorarium to the Programme in-charge @ Rs. 2,250.00 per month plus lump sum conveyance allowance maximum Rs. 300.00 per month depending upon the city.
    - o honorarium to the Head of the Host Institution @ Rs. 1,500.00 per month to provide facilities.
    - o reimbursement of expenditure on stationery, postage, contingency, secretarial support etc. @ Rs. 7,500.00 per annum.
  - incur expenditure for consumables required for practical sessions/laboratory work as per actual.
  - have the right to shift or close the study center if it finds that support services are not being provided as per the requirements of the university. In such case, the coordinator would have to hand over all the assets and academic records of the learners to the Regional Director. The coordinator will also have to settle all financial accounts with the Regional Director. IGNOU will pay one month's honorarium to coordinator after its closure in order to ensure smooth handing over of charge.

Agreed upon and signed.

**ABOUT MCED**

Maharashtra Center for Entrepreneurship Development (MCED), hereafter termed as MCED, has its head office at Aurangabad. It is a body promoted by the Government of Maharashtra and jointly by SICOM, MSFC, MSSIDC, MIDC, and MELTRON & MITCON and is registered under Societies Registration Act 1860 and Bombay Public Trust Act, 1950 is a Nodal Agency promoted by Government of Maharashtra as a joint venture of its state level industrial development corporation to conduct training activities related to Entrepreneurship Development. MCED conducts a variety of Training Programmes aimed at promoting entrepreneurship across the state, catering to the training related needs of the society. To mention a few, programs like Entrepreneurship Development Programme, Skill Development Programme, Skill Improvement Programme, Faculty Development Programme etc., constitute its core activities, which are popular and have been very useful to the people. To promote entrepreneurship on mass level, MCED conducts Awareness Programmes for students in educational institutions. It also publishes a monthly magazine "Udyojak" that is having the readership of about 25000 in the state. In an initiative to make quality IT education available to common man, MCED has created a network of around 500 centers in Maharashtra. At selected centers, the MSCIT course is also made available to cater to specific needs. Moreover, a dedicated team of persons covering cross section of entire disciplines drawn from state as well as national level are associated with MCED to help facilitate the cause of Entrepreneurship Development

**ABOUT INSTITUTE OF SCIENCE NAGPUR**

The Government Institute of Science runs by Department of Higher and Technical Education, Government of Maharashtra, Mumbai. (M.S.) Previously it was known as "Government Science College". The Institute is one of the oldest pure science academic and research center in central India. Its marvellous architecture and spacious class rooms and laboratories makes it one of the most sought out and selected pure science learning center in central India.

#### **Our Vision**

"The Vision of the Institute is to inculcate scientific temper among students to address global challenges by advancing the frontiers of science, by producing scientifically trained leaders and innovators and enhancing public understanding of science."

#### **Our Mission**

"The mission of the institute is to bring the benefits of science to society by providing access to a rich educational experience that will motivate and enable all of our students to seek the highest levels of intellectual achievements in the physical, chemical, mathematical and biological sciences and attain an all-round personal growth with high moral values."

- 1) The Institute of Science strives for Inclusive Access & Excellence in Higher Education and Research, to emerge as premier higher education study centre of the country at par with the best institutions of the world in terms of program offerings, curricular framework, pedagogy, research, publications and consultancy.
- 2) In recognition to the fact that each individual learner is uniquely endowed, provide her/him opportunities to choose her/his own pathway and pace of learning so as to enable the learner to excel in her/his pursuit of higher education.
- 3) Offer Multi-disciplinary Programs of Study at Undergraduate, Postgraduate and Research Degree levels designed on the comprehensive choice based credit system.
- 4) Develop innovative curricular framework aimed at knowledge, skill and aptitude based application-oriented higher education and research.
- 5) Follow a Need-Bind admission Policy in order to attract the most meritorious students so as to offer equitable access to all, belonging to different sections and strata of the society.
- 6) To understand the regional, social, industrial, business and government demands. Accordingly, provide the necessary facility for the communication and education to the students.
- 7) To stand as one of the leader in Science consultancy and analysis facility center in Central India at par with global standards.

#### **Major Objectives**

- 1) To create an entrepreneurship culture in the students by conducting Entrepreneurship Development Programs, Entrepreneurship Awareness Camps and Entrepreneurship

Motivation Camps.

- 2) To conduct courses in Entrepreneurship for science & Technology students and organizing skill development training programs for unemployed youth.
- 3) To conduct orientation programs for students to attract them into establishing their own enterprises.
- 4) To create and develop knowledgeable, enterprising and effective entrepreneurs.
- 5) To conduct Entrepreneurship Awareness Camps (EAC) Entrepreneurship Development Programs (EDP) Faculty Development programs (FDP) Skill development programs (SDP) for our Institute as well as students from neighboring institutions and graduate students.

#### **The Entrepreneurship Development Cell at IOS, Nagpur**

##### **Vision**

To be a well recognized center of excellence for entrepreneurship development programs that is based in an institution of quality learning.

##### **Mission**

“To train and develop successful entrepreneurs towards evergreen economic prosperity”

The entrepreneurship development cell of GNI Nagpur commonly known as EDC, has been established with the objective of creating fostering and promoting the spirit of entrepreneurship among the youth of the nation. Created in the early months of 2007 the cell has already taken rapid strides in cultivating entrepreneurial temper and has succeed in carving a niche for itself. The cell has organized a plethora of events under its aegis in the few months since inception and these events have witnessed healthy participation from students. The success of these events has boosted our confidence and we at EDC, GNI Nagpur aim to continue rolling the wheel we have set into motion. In pursuance of its goals the cell has set up both short and long term objectives.

The short term objectives aim at bolstering an environment conducive for entrepreneurial thinking and action through the organization of variety of entrepreneurship-oriented events such as business plan contests, case studies, business quizzes, social entrepreneurship issues' solutions and so forth. The long term objective aim at setting up an incubator at GNI Nagpur for aiding students who have a marketable idea or project and aspire to start their own ventures.

**Major Objectives:**

- To organize programs for women for acquiring special skills so that they can earn while at home.
- To create technology awareness and promote technology based enterprises in existing small & medium enterprises (SMEs) of the region.
- To organize workshops participating successful entrepreneurs.
- To conduct market research for identifying Entrepreneurial Opportunities.
- To provide assistance to entrepreneurs in getting bank loan, selection of staff and workers and to inculcate the entrepreneurial culture into their minds and dealing with day to day problems in their business.
- To assist them in starting industries of their own right from product Identification (PI) Market Survey, Tools for market research, Preparation of Project Reports.
- Assist them in getting technical feasibility reports.
- To liaison with various external agencies like CIPET, NSIC, CFTRI, CLRI, SIPCOT, SISI, DIC and leading financial institutions & bank like IDBI, SIDBI, TIIC, Indian Bank and others.
- To provide consultancy services to prospective Entrepreneurs.
- Create an environment for self-employment and entrepreneurship development through formal and non formal programmers.
- To enhance women empowerment and develop management personnel at appropriate level for the non cooperate and unorganized sectors like education, rural development small scale industry etc.
- Utilize the infrastructure facilitates and technically trained manpower for the development of non-corporate and unorganized sectors employment opportunities.
